2 Insert new material to read:

3 "Sec. 45.25.465. Sales of used motor vehicles. (a) Before the sale of a used  
4 motor vehicle, a motor vehicle dealer shall,

5 (1) when obtaining a used motor vehicle from an individual consumer,  
6 make a reasonable inquiry of the seller into the condition of the vehicle, including the  
7 accident and repair history of the vehicle; the information shall be recorded in writing  
8 and verified by the seller; the dealer shall provide this information to a prospective  
9 purchaser of the vehicle;

10 (2) when a motor vehicle dealer obtains a used motor vehicle from  
11 another motor vehicle dealer, a wholesaler, or an auction, disclose to a prospective  
12 purchaser of the vehicle that the vehicle was purchased from another dealer, a  
13 wholesaler, or an auction.

14 (b) Nothing in this section creates an express warranty by the dealer."
