**MEMORANDUM**

May 13, 2002

**SUBJECT:** Amendment JA.1 to HCS SB 115(RLS) am H, as amended by the House on May 12 -- explanation of necessity for amendment (Work Order No. 22LS-0634\JA.1)

**TO:** Representative Brian Porter, Speaker of the House  
Attn: Tom Wright or Joel Lounsbury

**FROM:** Jack Chenoweth  
Assistant Revisor of Statutes

The amendment described, identified as JA.1, is offered to restore effective dates to two bill sections. These effective dates were erroneously omitted in our draft of amendment 22LS-0634\J.1, unanimously adopted by the House as its amendment #1 in yesterday's floor session.

HCS SB 115(RLS) included one effective date section, bill section 14, that gave immediate effect to its bill sections 8 - 13. Our draft of amendment J.1 deleted bill section 14 and substituted two provisions addressing a contract for a telecommunications study. That amendment provided effective dates for bill sections 8 - 10 and 13 but neglected to address the effective dates for bill sections 11 (continuation of the Board of Storage Tank Assistance) and 12 (exemption of bill from statutory limitation of continuing the existence of more than one board). That omission has the legal effect of delaying the effective dates of these two provisions for 90 days.

Amendment JA.1 restores immediate effective dates for the two sections, bill sections 11 and 12, as had been provided in the House Rules Committee Substitute before the adoption of the floor amendment.
