AS 14.17.490(d) is amended to read:

(d) Beginning in fiscal year 2004 [2000], if a district receives more public school funding under AS 14.17.410 than the district received in the preceding fiscal year, any amount received by the district under this section shall be reduced. The amount of the reduction required under this subsection is equal to the amount of increase from the preceding fiscal year in public school funding multiplied by 40 percent. In this subsection, "public school funding" does not include funding under this section.

AS 14.17.490(e) is amended to read:

(e) Beginning in fiscal year 2004 [2000], in each fiscal year, the department shall compare each district's ADM with the district's ADM in fiscal year 1999. If the current fiscal year ADM is less than 95 percent of the district's ADM in fiscal year 1999, the department shall reduce the district's public school funding calculated under (a) of this section by a percentage equal to the percentage of decrease in the district's ADM."
