1 **"An Act relating to court approval of the purchase of structured settlements."**

2 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

3 *** Section 1.** AS 09.68 is amended by adding new sections to read:

4 **Sec. 09.68.200. Conditions to transfers of structured settlement payment**
5 **rights and structured settlement agreements.** (a) A transfer of structured
6 settlement payment rights is not effective and a structured settlement obligor or
7 annuity issuer is not required to make a payment directly or indirectly to a transferee
8 of structured settlement payment rights unless the transfer has been approved by a
9 superior court based on the court's written express findings that

10 (1) the structured settlement arose from an action filed in Alaska or
11 which could have been filed in Alaska, or the payee of the structured settlement is
12 domiciled in Alaska;

13 (2) the transfer complies with the requirements of AS 09.68.200 -
14 09.68.230 and other applicable state and federal law;

15 (3) not less than 10 days before the date on which the payee first

1 incurred an obligation with respect to the transfer, the transferee has provided to the
2 payee a disclosure statement in bold type, no smaller than 14 points, specifying

3 (A) the amounts and due dates of the structured settlement
4 payments to be transferred;

5 (B) the aggregate amount of the payments;

6 (C) the discounted present value of the payments, together with
7 the discount rate used in determining the discounted present value;

8 (D) the gross amount payable to the payee in exchange for the
9 payments;

10 (E) an itemized listing of all broker's commissions, service
11 charges, application fees, processing fees, closing costs, filing fees, referral
12 fees, administrative fees, legal fees, notary fees, and other commissions, fees,
13 costs, expenses, and charges payable by the payee or deductible from the gross
14 amount otherwise payable to the payee;

15 (F) the net amount payable to the payee after deduction of all
16 commissions, fees, costs, expenses, and charges described in (E) of this
17 paragraph;

18 (G) the quotient, expressed as a percentage, obtained by
19 dividing the net payment amount by the discounted present value of the
20 payments; and

21 (H) the amount of any penalty and the aggregate amount of any
22 liquidated damages, including penalties, payable by the payee in the event of a
23 breach of the transfer agreement by the payee;

24 (4) the payee has established that the transfer is in the best interests of
25 the payee and the payee's dependents;

26 (5) the payee has received independent professional advice regarding
27 the legal, tax, and financial implications of the transfer;

28 (6) the transferee has given written notice of the transferee's name,
29 address, and taxpayer identification number to the annuity issuer and the structured
30 settlement obligor and has filed a copy of the notice with the court; and

31 (7) the transfer agreement provides that any disputes between the

1 parties will be governed, interpreted, construed, and enforced in accordance with the
 2 laws of this state and that the domicile state of the payee is the proper venue to bring
 3 any cause of action arising out of a breach of the agreement; the transfer agreement
 4 must also provide that the parties agree to the jurisdiction of any court of competent
 5 jurisdiction located in this state.

6 (b) If the transfer would contravene the terms of the structured settlement,
 7 upon the filing of a written objection by any interested party and after considering the
 8 objection and any response to it, the court may grant, deny, or impose conditions upon
 9 the proposed transfer as the court considers just and proper under the facts and
 10 circumstances in accordance with established principles of law. Any order approving
 11 a transfer must require that the transferee indemnify the annuity issuer and the
 12 structured settlement obligor for any liability including reasonable costs and attorney
 13 fees arising from compliance by the issuer or obligor with the order of the court.

14 (c) A provision in a transfer agreement giving a transferee power to confess
 15 judgment against a payee is unenforceable to the extent the amount of the judgment
 16 would exceed the amount paid by the transferee to the payee, less any payments
 17 received from the structured settlement obligor or the payee.

18 **Sec. 09.68.210. Jurisdiction; procedure for approval of transfers.** (a) The
 19 superior court where the action giving rise to the structured settlement was maintained
 20 or could have been maintained has jurisdiction over an application for approval under

 4 the manner in which and the time by which written responses to the application must
 5 be filed in order to be considered by the court.
