ANALYSIS: (Attach a separate page if necessary)

Sections 31 and 43 of Work Draft E for SCS CSHB 4(FIN) require the mandatory forfeiture of a motor vehicle, aircraft, or watercraft used in the commission of a felony DWI/refusal offense. Section 48 states that before forfeiture can occur the court system must hold a hearing on the matter. The Department of Law estimates that these sections will result in 250-300 hearings a year. Because the cost associated with these hearings was captured through other legislation last year, the court system does not anticipate any additional fiscal impact from the passage of this work draft.
