ANALYSIS: (Attach a separate page if necessary)

SSHB 16 allows an existing second class city or unincorporated area to form a "home rule community" government structure. This new classification would permit the city or area to choose a narrower scope of governing powers than current law requires.

The Department of Law will provide legal assistance in developing the new model charters for home rule communities during FY02, and provide advice to the Local Boundary Commission as charter petitions are received in the following years. We anticipate approximately 30 hours of attorney time per year will be required for these more routine functions. Any litigation arising from the new charter process would require additional time. Because we have no way of predicting how much, if any, new litigation there might be, these costs are not included in this fiscal note.

Based on the department's FY02 hourly attorney rate, which includes clerical support, communications, space, supplies, data processing, and other normal overhead expenses, the cost of SSHB 16 would be \$2,927.10 (30 hours x \$97.57/hour).
