ANALYSIS: (Attach a separate page if necessary)

CSHB 39 (TRA) Work Draft "C" makes the following statutory changes: 1) The Division of Motor Vehicles would be prohibited from registering a vehicle if the applicant does not have the motor vehicle insurance required by law. 2) The bill requires treatment conditions imposed by the court as part of a sentence for DWI be completed by the offender while incarcerated, as much as is possible. 3) In addition, the Division of Alcohol and Drug Abuse would be required to cooperate with public groups both in establishing and conducting programs designed to deal with DWIs, and in facilitating, coordinating, and monitoring data between public groups interested in deterring DWI offenses.

In the prior version of this bill, the primary financial impact on the Department of Law was due to the elimination of "look back" for felony DWI. Work Draft "C" removes this provision. The bill as drafted in Work Draft "C" will have no fiscal impact on the Department of Law.
