ANALYSIS: (Attach a separate page if necessary)

There will be no fiscal impact to the Child Support Enforcement Division from this legislation.

State law requires that applicants for sport hunting and fishing licenses provide their Social Security number on the application. However, Alaska has been granted a waiver from the federal law that prompted the state requirement. That federal waiver was granted in December 2000, retroactive to October 2000. The waiver runs for three years, at which time the state (through the Child Support Enforcement Division) may request a continuation of the waiver.

This legislation would repeal the state requirement for Social Security numbers on sport hunting and fishing license applications, with an immediate effective date.
