ANALYSIS: (Attach a separate page if necessary)

The department has to make two assumptions. 1) Legal separation is performed under current law; the husband is presumed to be the father; and 3 party affidavits are available. 2) The bill does not intend that legal separations to be public documents. Based upon the yearly reports from the Alaska Court System, the Registrar will examine and make an evaluation and recommendations to the Legislature in 2005. As written the bill has no programmatic effects on the Department.
