HB 210 removes the statute of limitations on when the crime of sexual assault against an adult may be prosecuted. Under current law, the crime may not be brought for prosecution after ten years have passed. (There is no statute of limitations on sexual assault or sexual abuse of a minor.)

The Department of Law expects only a handful of cases to result from passage of this legislation. As a practical matter, it is much more difficult to prosecute a case the older it gets. The department anticipates it can handle any increase in caseload with existing resources.
