POSITIONS

Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

House Bill 230 does not impact the state's budget because the Alaska Railroad Corporation does not require any state funding to operate. Alaska Railroad employees are paid for through corporate revenues. They are not covered by state public employee contracts, nor do they receive state-funded pensions and benefits. Approximately 545 of the Alaska Railroad's employees are represented by five unions that negotiate contracts with the corporation.
