ANALYSIS: (Attach a separate page if necessary)

This legislation creates a new provision to include protective orders related to non-domestic violence stalking. In addition, it includes a violation of this protective order to AS 11.56.740(a). That creates a new provision to the crime of "violating a protective order".

It is expected that there will be relatively few stalking protective orders. In order to obtain a stalking protective order, the victim essentially has to prove that the stalking occurred, and then the stalker can be arrested which will probably be the preferred response. We do not currently have the availability of the protective orders so we do not know how many will be issued, and then subsequently violated, therefore, we are submitting an indeterminate fiscal note.
