ANALYSIS: (Attach a separate page if necessary)

This legislation expands the circumstances under which someone can be charged with Terroristic Threatening, a felony. This bill will add a provision to include knowingly making a false report that a circumstance dangerous to human life exists or is about to exist and causes evacuation of a public area, mode of public transportation or building or disrupts the schedule of an entity providing transportation services for persons or property. It additionally will include false reports of a circumstance exists or is about to exist regarding the safe or proper functioning of oil or gas pipeline or supporting facility, etc. Any addition of circumstances expanding felony prosecution will likely have a fiscal impact on the Department of Corrections. It is anticipated that the number of cases that apply in this legislation will be minimal, therefore, the Dept. of Corrections is submitting an indeterminate fiscal note.
