## FISCAL NOTE

STATE OF ALASKA  
2002 LEGISLATIVE SESSION

BILL NO. CSHB 355(CRA) - FN#1

### ANALYSIS CONTINUATION

The federal Mobile Telecommunications Sourcing Act (P.L. 106-252) preempts existing state and local law by specifying the source of mobile telecommunications services for purposes of state and local sales, excise or other transaction taxes.

Under the act, mobile telecommunications services are sourced to a customer's place of primary use. State and local revenues are expected to be unchanged when states adopt legislation conforming to the federal act.

CSHB355(CRA) brings Alaska law governing municipal taxation into conformity with the Mobile Telecommunications Sourcing Act. In addition to the sourcing provisions of the federal act, this legislation also provides for procedures and remedies for correcting errors in the assignment of place of primary use.
