ANALYSIS: (Attach a separate page if necessary)

This bill allows the use of unclaimed property to satisfy restitution and related interest, collection costs, and attorneys fees that are ordered by the court and owed by the owner of the property. Under the bill, if the owner of unclaimed property owes restitution as a result of a criminal or delinquent act, the Department of Revenue would be able to pay the victim the fair market value of the unclaimed property to satisfy the judgment.

Passage of this legislation is not anticipated to have a fiscal impact on the Department of Law.
