ANALYSIS: (Attach a separate page if necessary)

\$1.5 million is included in this fiscal note and will provide the funding to fill an additional 50 beds for a total of 550 beds. This will result in 115 beds having a preference for veterans. Currently there are 95 veterans who are residents of the Pioneers Home System.

* Federal Veterans Administration per diem payments to individual veterans that are then paid to the Pioneers' Homes for services are included in the Pioneers Homes Receipts**. These payments are estimated to commence on July 1, 2002 - amounting to \$818,500 in increased receipts in FY 2003 and increasing to \$1.07 million in FY 2008.

ANALYSIS CONTINUATION

Capital funding of \$250.0 will be used to obtain a contract to study the needs of Alaskan veterans. This study will obtain in-depth information about the needs of veterans in the state who would not be served by the Pioneers' Home system and a plan to meet those needs. In general, senior veterans will require assistance with needs related to physical frailty and Alzheimer's disease which they will receive in the Pioneers' Home. Veterans younger than 65 years of age, in general, will require assistance related to homelessness, substance abuse and combat disability. The plan would include the best use of federal programs for state veterans and the use of state funds to leverage federal grants. The \$250.0 cost of the study is approximately one half the cost of a similar study recently funded by the State of Washington, and should save the state costly mis-steps in providing for the needs of Alaska veterans.
