 This Bill would amend AS 14.11.100(a)(10) & (j) and would remove the requirement that school construction projects be approved by the Department of Education and Early Development before being approved by the local voters. The Bill would also remove the requirement for municipalities to include on the ballot language detailing the costs shared by the State and Municipality and the potential impact to the tax payers of the municipality. This Bill would set the effective date retroactively to July 1, 2000.
