ANALYSIS: (Attach a separate page if necessary)

This bill adds a new section, 14.20.015, that allows for exceptions from some teacher certification requirements for persons hired as subject-matter expert teachers. Someone hired as a subject-matter teacher must still meet specific criteria: must have at least a baccalaureate degree, must have majored in the subject matter that person will be teaching, must have at least five years of work experience in that subject matter, must pay the fees required for criminal background check and certification, and may be required by a district to complete a competency examination.

This is a zero fiscal note for the department.
