ANALYSIS: (Attach a separate page if necessary)

This bill will expand the duties of Village Public Safety Officers to include assisting Field Probation Officers in monitoring probationers and parolees in rural communities. It will require coordinating with all of the non-profit regional corporations to provide oversight to all of the communities. In addition, it will require initial and on-going training and field auditing to assure community safety and probationer/parolee compliance. FY 02 reflects a 9 month period and the remaining years are full fiscal years.

In order to accomplish this, the Department of Corrections will adopt regulations in accordance with Sec. 18.65.670(c). This will require: 1 Probation Officer IV, staff travel and 5 days centralized training for 74 VPSOs, office rent and communications costs for staff, supplies including office and urinalysis testing supplies for probationers, and equipment to include a staff computer (1st year) and breathalyzers for VPSOs.
