ANALYSIS: (Attach a separate page if necessary)

Alaska Statute 05.15.690(41) of the state's charitable gaming laws allows certain organizations to conduct "salmon classic" games of chance. This legislation would add the Bristol Bay Native Corporation Education Foundation to the list, allowing the Education Foundation to conduct a fund-raising salmon classic with prize money awarded to the person who guesses closest to the total number of salmon harvested commercially in the five Bristol Bay fishing districts between June 1 and September 30 each year.

This legislation would not result in any additional cost or enforcement issues to the Charitable Gaming Section at the Tax Division.
