Temporary						

ANALYSIS: (Attach a separate page if necessary)

The bill extends the Regulatory Commission of Alaska to June 30, 2006. In accordance with AS 08.03.020, funding is extended one year following the termination date allowing the commission to conclude its affairs. The information above identifies direct expenditure and revenue information included in the FY 2003 Operating Budget Request. The RCA's budget is funded through the Regulatory Cost Charge (RCC) mechanism and direct charge mechanisms. No general funds are allocated for support of the agency. The RCC is recalculated each year and allows the agency to recover its operating costs through an assessment on the revenues of the utilities and pipeline carriers it regulates.
