**ANALYSIS:** (Attach a separate page if necessary)

The federal TANF grant funds cash benefits as well as a variety of services to recipients of the Alaska Temporary Assistance Program including case management, job readiness training, supportive services, short-term job training and pregnancy prevention education. Alaska's high population supplemental TANF grant in the amount of \$6,887,000 has become an integral part of the state's block grant and its loss will negatively impact the state's efforts to move recipients from welfare to work. The expiration of the supplemental grant will also result in loss of TANF funding for essential services to non-ATAP families including Head Start, Healthy Families and child protection.
