TAPE 01-29, SIDE A
Number 0001

CHAIR CON BUNDE reconvened the House Special Committee on Education meeting at 9:02 a.m. [This is the continuation of the April 20, 2001, meeting.] Members present at the call to order were Representatives Bunde, Porter, Wilson, Stevens, Joule, and Guess.

HB 105-FOUNDATION FORMULA INCREASE

CHAIR BUNDE announced that the committee would address HOUSE BILL NO. 105, "An Act relating to the base student allocation used in the formula for state funding of public education; and providing for an effective date."

Number 0044

REPRESENTATIVE GUESS made a motion to move the CS for HB 105 [version 22-LS0506\C, Ford, 4/20/01] from committee with individual recommendations and attached fiscal note(s). There being no objection, CSHB 105(EDU) was moved from the House Special Committee on Education.

CHAIR BUNDE remarked that he had received a letter from a high school student who said, in reference to the high school competency exam, "You dumped it on us." He stated that, in response, he had shared with her that [the legislature] has also

"dumped," since the competency test began, well over \$2 billion into education.

ADJOURNMENT

There being no further business before the committee, the House Special Committee on Education meeting was adjourned at 9:04 a.m.
