ACTION NARRATIVE

TAPE 01-24, SIDE A

Number 001

CHAIRMAN GENE THERRIAULT called the Senate State Affairs Committee meeting to order at 5:10 p.m. Present were Senators Davis, Phillips and Chairman Therriault.

Chairman Therriault said he had a list of names of individuals that were referred to the committee for review before both bodies gather in joint session for confirmation. Before the meeting he asked committee members to contact him if they had any questions after reading the resumes. If there were questions the individuals would have been contacted so they could respond in person or via teleconference. There had been no inquiries but if any arose as he read the list of individuals, he would set those names aside and the individuals would appear in person or via teleconference the following day. He then read the following list and asked for objections, if any, to be registered as the name was read:

- Former Senator Jim Duncan for Commissioner of the Department of Administration
- Glenn G. Godfrey for Commissioner of the Department of Public Safety
- Colonel Craig Noal Christensen for Alaska Army National Guard

Brigadier General

- John Dapceovich as the Alaska Public Offices Commission appointee from Juneau
- Mark Thurston Handley as an Alaska Public Offices Commission appointee from Juneau
- Judge Roy Harding Madsen from Kodiak for the State Commission for Human Rights
- Martha L. Gore from Anchorage for State Commission for Human Rights

There was no objection to moving all candidates' names forward.

The Chairman presented a letter for members to sign stating they had reviewed the qualifications and recommended the appointments be forwarded to both bodies in a joint session for consideration. He announced that there were no stated objections, but that does not reflect an intent by any committee members to vote for or against the appointments during further sessions.

He asked for a motion to forward the names for consideration.

SENATOR PHILLIPS moved the names be forwarded for consideration. There were no objections.

The meeting was adjourned at 5:20 p.m.
