AMENDMENT #21

OFFERED ON THE HOUSE FLOOR BY: REPRESENTATIVE BERKOWITZ  
TO: CSSSHB 75(FIN)

Page 57, Section 18, subsection (d) lines 10-12: delete all text.

Explanation: This amendment will keep the Alaska Science and Technology Fund intact. Although there are no operating funds in the numbers section of the budget for the fund to be administered, this amendment would allow the Legislature to leave the fund in existence while deciding how better to manage its operation.
