This amendment provides eligibility for a senior Alaskan to visit "Outside" for less than 60 days (instead of 30 days, as currently written) for a vacation, business trip or other absences.

The longevity bonus program allowed for 60 days to be absent from the state. The PFD allows for 180 days.

An Outside visit could entail a vacation in retirement age, a trip for the death of a family member (to settle the estate), birth of a grandchild, and a multitude of other reasons.
