

HOUSE CS FOR SENATE BILL NO. 124(FIN)

Amendment No. #1

By: Cissna

"An Act relating to grants for alcoholism and drug abuse programs; and providing for an effective date."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

\* Section 1. AS 47.30.475(c) is amended to read:

(c) Grants shall be awarded in a ratio of **85** [90] percent state money to **15** [10] percent community money for the costs of providing staff and limited improvement, renovation, or new construction of facilities for alcohol or drug detoxification, rehabilitation, or "half-way house" care. The department may waive all or part of the requirement that state money be matched by community money if the department finds that community money is unavailable and waiver of the requirement is in the best interests of the state. A grant for improving, renovating, or constructing may not exceed \$50,000 except when there is a lack of applicants for available money and then only with the approval of the Advisory Board on Alcoholism and Drug Abuse. The department is not required to award all money available under this program, or the full percentages specified in this subsection, when another source of money is available or could reasonably be made available to the applicant.

\* Sec. 2. The uncodified law of the State of Alaska is amended by adding a new section to read:

**TRANSITION.** Notwithstanding AS 47.30.475(c), as amended by sec. 1 of this Act, the grants awarded under AS 47.30.475 shall be adjusted such that the ratio of **85** percent state money to **15** percent community money in FY 2004, shall be adjusted by 5 percent per year until in FY 2006, the ratio shall be **75** percent state money to **25** percent community money.

\* Sec. 3. This Act takes effect July 1, 2003.
