

AMENDMENT # 4

OFFERED IN THE SENATE
TO: CSSB 311(JUD)

BY SENATOR FRENCH

1 Page 38, line 30, following "irreparable", through page 39, line 3:

2 Delete all material.

3 Insert "damage, and, if the party is filing an application for a stay of continuing
4 compensation or medical benefits, or both, the commission may only allow the stay if the
5 party filing the application has also shown probable success on the merits. The order of the
6 commission allowing the stay must contain specific findings based on evidence submitted to
7 the commission and identified by reference to it to support the standard required for a stay in
8 the matter."
9

10 Page 39, line 20, following "where", through line 23:

11 Delete all material.

12 Insert "the party filing the application would otherwise suffer irreparable damage, and,
13 if the party is filing an application for a stay of continuing compensation or medical benefits,
14 or both, the commission may only allow the stay if the party filing the application has also
15 shown probable success on the merits. The order of the commission allowing the stay must
16 contain specific findings based on evidence submitted to the commission and identified by
17 reference to it to support the standard required for a stay in the matter."
