3 * **Section 1.** AS 09.68 is amended by adding new sections to read:

4 **Sec. 09.68.200. Conditions to transfers of structured settlement payment**
5 **rights and structured settlement agreements.** (a) A transfer of structured
6 settlement payment rights is not effective and a structured settlement obligor or
7 annuity issuer is not required to make a payment directly or indirectly to a transferee
8 of structured settlement payment rights unless the transfer has been approved by a
9 superior court based on the court's written express findings that

10 (1) the structured settlement arose from an action filed in Alaska or
11 that could have been filed in Alaska, or the payee of the structured settlement is
12 domiciled in Alaska;

13 (2) the transfer complies with the requirements of AS 09.68.200 -
14 09.68.230, other applicable state and federal law, and the orders of any court;

15 (3) not less than 10 days before the date on which the payee first

1 incurred an obligation with respect to the transfer, the payee has received by certified
2 mail, return receipt requested, or other means that provide a comparable record of
3 delivery, a disclosure statement in bold type, no smaller than 14 points, specifying

4 (A) the amounts and due dates of the structured settlement
5 payments to be transferred;

6 (B) the aggregate amount of the payments;

7 (C) the discounted present value of the payments, together with
8 the discount rate used in determining the discounted present value;

9 (D) the gross amount payable to the payee in exchange for the
10 payments;

11 (E) an itemized listing of all broker's commissions, service
12 charges, application fees, processing fees, closing costs, filing fees, referral
13 fees, administrative fees, legal fees, notary fees, and other commissions, fees,
14 costs, expenses, and charges payable by the payee or deductible from the gross
15 amount otherwise payable to the payee;

16 (F) the net amount payable to the payee after deduction of all
17 commissions, fees, costs, expenses, and charges described in (E) of this
18 paragraph;

19 (G) the quotient, expressed as a percentage, obtained by
20 dividing the net payment amount by the discounted present value of the
21 payments; and

22 (H) the amount of any penalty and the aggregate amount of any
23 liquidated damages, including penalties, payable by the payee in the event of a
24 breach of the transfer agreement by the payee;

25 (4) the payee has established that the transfer is in the best interests of
26 the payee and the payee's dependents;

27 (5) the payee has received independent professional advice regarding
28 the legal, tax, and financial implications of the transfer;

30 address, and taxpayer identification number to the annuity issuer and the structured
31 settlement obligor and has filed a copy of the notice with the court; and

1 (7) the transfer agreement provides that any disputes between the
2 parties will be governed, interpreted, construed, and enforced in accordance with the
3 laws of this state and that the domicile state of the payee is the proper venue to bring
4 any cause of action arising out of a breach of the agreement; the transfer agreement
5 must also provide that the parties agree to the jurisdiction of any court of competent
6 jurisdiction located in this state.

7 (b) If the transfer would contravene the terms of the structured settlement,
8 upon the filing of a written objection by any interested party and after considering the
9 objection and any response to it, the court may grant, deny, or impose conditions upon
10 the proposed transfer as the court considers just and proper under the facts and
11 circumstances in accordance with established principles of law. Any order approving
12 a transfer must require that the transferee indemnify the annuity issuer and the
13 structured settlement obligor for any liability including reasonable costs and attorney
14 fees arising from compliance by the issuer or obligor with the order of the court.

15 (c) A provision in a transfer agreement giving a transferee power to confess
16 judgment against a payee is unenforceable to the extent the amount of the judgment
17 would exceed the amount paid by the transferee to the payee, less any payments
18 received from the structured settlement obligor or the payee.

19 **Sec. 09.68.210. Jurisdiction; procedure for approval of transfers.** (a) The
20 superior court where the action giving rise to the structured settlement was maintained

6 the manner in which and the time by which written responses to the application must
7 be filed in order to be considered by the court.
