9 **PURPOSE.** The purpose of secs. 3 - 6 of this Act is to

10 (1) provide the State of Alaska and state military and other personnel, through

12 that the federal government and federal military personnel are provided under federal case law
13 and statute, except for civil damages resulting from intentional misconduct within the course

1 and scope of employment or agency and with complete disregard for the safety and property
2 of others;

3 (2) ensure that military service decisions are based on the judgment and needs
4 of the militia rather than on concerns for possible tort exposure;

6 entitled to various federal military and veterans' benefits for injuries or death occurring in the
7 course of the member's military service for the Alaska National Guard while not on state
8 active duty;

9 (4) recognize that the federal government and not the State of Alaska is

11 injuries or death occurring in the course of the member's military service for the Alaska
12 National Guard while not on state active duty; and

13 (5) recognize that the federal government and not the State of Alaska is
