30 **recruitment loan assumption program under AS 14.43.530 - 14.43.590 or for any**  
31 **other public purpose.**

1 \* **Sec. 6.** AS 14.43 is amended by adding new sections to read:

2 **Article 9A. Alaska Teacher Recruitment Loan Assumption Program.**

3 **Sec. 14.43.530. Program established.** (a) There is established the Alaska  
4 teacher recruitment loan assumption program to provide financial incentives for  
5 qualified teachers to pursue a career in classroom teaching in the public elementary or  
6 secondary schools in this state through the assumption of education loans to become a  
7 teacher.

8 (b) The program is not a financial obligation of the corporation.

9 **Sec. 14.43.540. Alaska teacher recruitment loan assumption program**  
10 **account.** (a) The Alaska teacher recruitment loan assumption program account is  
11 created in the general fund. The account shall be used to provide financial awards for  
12 the assumption of education loans under the program, to pay the cost of collecting  
13 financial awards improperly received if the costs are not recovered from a  
14 noncompliant teacher, and to pay for the costs of administering the program.

15 (b) The account includes money that the legislature appropriates from the  
16 corporation's return of contributed capital or dividend to the state under AS 14.42.295  
17 and the interest and earnings on money in the account. If estimated money available is  
18 inadequate to finance the requests from eligible teachers under this program for a  
19 fiscal year, additional money may be requested from the general fund and appropriated  
20 to the account for the program.

21 **Sec. 14.43.550. Administration.** (a) The Alaska teacher recruitment loan  
22 assumption program shall be administered by the executive director of the commission  
23 using

24 (1) the eligibility and other criteria of the program established by the  
25 board under AS 14.07.170(c); and

26 (2) the financial management standards for proper administration of  
27 the Alaska teacher recruitment loan assumption program account as established by the  
28 commission.

29 (b) After consultation with the board, the commission may adopt regulations  
30 to carry out its duties and the executive director's duties under the program.

31 **Sec. 14.43.560. Eligibility criteria.** (a) The board shall establish in

1 regulation the eligibility criteria and certification procedures for the program. The  
2 criteria established must include the following:

3 (1) the applicant was first hired as a classroom teacher by a district in  
4 this state on or after July 1, 2003, and has not previously been employed as a  
5 classroom teacher in another district in this state;

6 (2) the applicant has the required certificates and endorsements to  
7 lawfully teach in the subject area in the public schools of this state;

8 (3) the applicant shall agree to fulfill any requirement of the program,  
9 including any required completion of a length of classroom teaching in a district;

10 (4) the applicant has outstanding teacher education loans from a  
11 recognized entity to be assumed under the program;

12 (5) if the applicant does not fulfill obligations under the program, the  
13 applicant shall repay the loan assumption and may not receive further loan  
14 assumptions under the program.

15 (b) The board shall distribute information regarding the program

16 (1) to districts in the state; and

17 (2) to others upon request.

18 **Sec. 14.43.570. Conditions and limitations on assumption payments.** (a)

19 The total amount of financial awards for assumption of educational loans may not  
20 exceed \$10,000 in a lifetime for a teacher.

21 (b) A financial award must be conditioned on the availability of money for the  
22 program. The executive director shall monitor the outstanding financial awards made  
23 under the program to ensure the adequacy of the balance of the account to meet  
24 program needs. If the executive director finds that the balance of the account is  
25 insufficient to pay for existing awards and incur additional obligations to new  
26 applicants, the executive director shall advise the commission and the board. Until the  
27 commission and the board determine the account is sufficient to incur additional  
28 obligations, the executive director shall

29 (1) prorate the money available in the account among all existing  
30 award recipients; and

31 (2) suspend the acceptance of new applications and the processing of

1 pending applications under the program.

2 (c) The provisions of AS 14.43.920 apply to the repayment of a loan  
3 assumption under the program.

4 **Sec. 14.43.590. Definitions.** In AS 14.43.530 - 14.43.590, unless the context
