11 No money appropriated in the appropriation may be expended for an abortion that is not a
12 mandatory service required under AS 47.07.030(a). The money appropriated for Health Care
13 Services may be expended only for mandatory services required under Title XIX of the Social
14 Security Act and for optional services offered by the state under the state plan for medical
15 assistance that has been approved by the United States Department of Health and Human
16 Services. This statement is a statement of the purpose of the appropriation for Health Care
17 Services and is neither merely descriptive language nor a statement of legislative intent.

18 It is the intent of the legislature that the amount appropriated in this appropriation is the full
19 amount that will be appropriated for Health Care Services for the fiscal year ending June 30,
20 2004. If the amount appropriated in this appropriation is not sufficient to cover the costs of
21 Health Care Services for all eligible persons, the department shall eliminate coverage for
22 optional medical services that have a federal match and optionally eligible groups of
23 individuals in accordance with AS 47.07.035. It is the intent of the legislature that requests for
24 supplemental appropriations for Health Care Services for the fiscal year ending June 30, 2004
25 will not be approved. This intent covers the budgeted reductions to Medicaid but does not
26 apply to any loss of funds that may occur if the department's "Fair Share" funding mechanism
27 is not approved by the federal government.
