

SENATE BILL NO. 109

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTY-THIRD LEGISLATURE - FIRST SESSION

BY THE SENATE RULES COMMITTEE BY REQUEST OF THE GOVERNOR

Introduced: 3/6/03

Referred: Health, Education and Social Services, Finance

A BILL

FOR AN ACT ENTITLED

1 "An Act repealing the statute that sets priorities for the Department of Health and
2 Social Services to apply to administration of the medical assistance program when there
3 are insufficient funds allocated in the state budget for that program; authorizing the
4 department to make cost containment decisions that may include decisions about
5 eligibility of persons and availability of services under the medical assistance program;
6 and providing for an effective date."

7 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

8 * **Section 1.** The uncodified law of the State of Alaska is amended by adding a new section
9 to read:

10 LEGISLATIVE INTENT. (a) It is the intent of the legislature that the Department of
11 Health and Social Services should have the authority to make cost containment decisions
12 related to the Medicaid program under AS 47.07 during any fiscal year when the department
13 finds that the cost of medical assistance for all persons eligible under the program will exceed

1 the amount allocated in the state budget for that fiscal year.

2 (b) The legislature intends, with the enactment of sec. 3 of this Act, that the cost
3 containment decisions made by the Department of Health and Social Services should be those
4 that best reflect the needs and interests of the eligible recipients and the coverage options
5 available under AS 47.07 and that the department should take all reasonable measures to
6 effect cost containment in ways that least effect the recipients who are eligible for services
7 and the types of services that are available.

8 * **Sec. 2.** AS 47.07.030(c) is amended to read:

9 (c) Notwithstanding (b) of this section, the department may offer a service for
10 which the department has received a waiver from the federal government if the
11 department was authorized, directed, or requested to apply for the waiver by law or by
12 a concurrent or joint resolution of the legislature. [THE DEPARTMENT SHALL
13 ANNUALLY MAKE AVAILABLE TO THE LEGISLATURE ITS
14 RECOMMENDATIONS ABOUT WHERE A SERVICE OFFERED UNDER THIS
15 SUBSECTION SHOULD BE PLACED ON THE PRIORITY LIST IN AS 47.07.035.
16 THE DEPARTMENT SHALL NOTIFY THE LEGISLATURE THAT THE
17 RECOMMENDATIONS ARE AVAILABLE.]

18 * **Sec. 3.** AS 47.07 is amended by adding a new section to read:

19 **Sec. 47.07.036. Cost containment measures authorized.** (a) If the
20 department finds that the costs of medical assistance for all persons eligible under this
21 chapter will exceed the amount allocated in the state budget for a fiscal year, the
22 department may implement cost containment measures to reduce anticipated program
23 costs for that fiscal year as authorized under this section.

24 (b) The department, in implementing this section, shall take all reasonable
25 steps to implement cost containment measures that do not eliminate program
26 eligibility or the scope of services required or authorized under AS 47.07.020 and
27 47.07.030 before implementing cost containment measures under (c) of this section
28 that directly affect program eligibility or coverage of services. The cost containment
29 measures taken under this subsection may include new utilization review procedures,
30 changes in provider payment rates, pre-certification requirements for coverage of
31 services, and agreements with federal officials under which the federal government

1 will assume responsibility for coverage of some individuals or some services for some
2 individuals through such federal programs as the Indian Health Service or Medicare.

3 (c) If cost containment measures authorized under (b) of this section are
4 insufficient to reduce the anticipated program costs for a fiscal year to the amount
5 allocated in the state budget for the program for that fiscal year, the department may,
6 to the extent authorized under federal law and the state's constitution, deny any or all
7 optional services listed in AS 47.07.030(b) - (d) to a person eligible for services under
8 AS 47.07.020 or deny program eligibility to a person who is eligible for the medical
9 assistance program under the optional coverage provisions of AS 47.07.020(b) - (i).
10 However, the department may not eliminate program participation of a person who is
11 eligible for coverage under AS 47.07.020(a), nor may the department deny coverage
12 of a service described in AS 47.07.030(a) for a person who is eligible for the medical
13 assistance program under AS 47.07.020.

14 * **Sec. 4.** AS 47.07.035 is repealed.

15 * **Sec. 5.** The uncodified law of the State of Alaska is amended by adding a new section to
16 read:

17 **APPLICABILITY.** AS 47.07.036, enacted by sec. 3 of this Act, applies only to
18 eligibility determinations made and medical services performed on or after July 1, 2003.

19 * **Sec. 6.** This Act takes effect July 1, 2003.
