ANALYSIS: (Attach a separate page if necessary)

This legislation would create a new section in the protective order statutes to provide for the application and issuance of a protective order for victims of the crime of stalking, that is not a crime of domestic violence. Under the proposed legislation, if a person allegedly violates the protective order, they may be prosecuted for the crime of violating a protective order, a class A misdemeanor.

This legislation will likely have a fiscal impact on the Public Defender Agency, because it broadens the scope of the crime of violating a protective order, which will likely result in more cases, handled by the Agency, charging a violation of this crime. However it is not possible to predict with any certainty the number of new cases this bill will generate, therefore an indeterminate fiscal note is submitted.
