ANALYSIS: (Attach a separate page if necessary)

AS 18.56.300 is amended to establish a system for state-licensed home inspectors for the approval of homes for mortgage purchases by AHFC. The current construction standard is approved by the International Conference of Building Officials (ICBO).

Any AHFC costs of this new licensing program would relate to educational efforts regarding the changes to the home inspection process. For example, homebuyers, realtors, homebuilders and mortgage lenders will need to know of the new requirements to ensure minimal disruptions in closing home mortgage transactions. These activities can be adequately covered within AHFC's annual budget authorizations.
