**ANALYSIS:** (Attach a separate page if necessary)

This bill creates mandatory registration of Home Inspectors in the State of Alaska. The bill provides for the Division of Occupational Licensing to administer the program without a board, and incorporates the registration within the provisions of AS 08.18, which is the Construction Contractor registration program. The Division of Occupational Licensing is required by statute to recover the cost of boards; the revenue would be collected every other year as a result of the biennial licensing cycle.

An explanation of the costs shown above is on page 2.
