**ANALYSIS:** (Attach a separate page if necessary)

This legislation would amend AS 43.23.008(a)(7) to add "providing care for the individual's terminally ill ... grandparent" to the list of allowable absences from the state while retaining eligibility for the annual Alaska Permanent Fund dividend. The statute currently lists care for a terminally ill parent, spouse, sibling, child or stepchild as an allowable absence.

The Permanent Fund Dividend Division generally accepts a doctor's statement in determining if the relative is terminally ill and does not substitute its judgment for that of a health care professional.

The addition of one more allowable absence to the dividend program will not impact the budget of the division, nor is it expected to have a measurable effect on the amount of the annual dividend.
