ANALYSIS: (Attach a separate page if necessary)

This legislation would repeal the July 1, 2003 termination (sunset) date for the statutory authority for negotiated regulation making. This legislation, which would continue the authority for negotiated regulation making, will not have an effect on the operating expenses of the Department of Revenue.

The Tax Division of the Department of Revenue last year used the negotiated regulation making process to draft and adopt new regulations for charitable gaming, and found the process useful and effective.
