ANALYSIS: (Attach a separate page if necessary)

HB 82 places certain limitations on commercial electronic mail (e-mail) sent to Alaskans. Commercial e-mail would not be allowed if the sender does not have an existing personal or business relationship with the recipient, if the recipient has not granted permission or asked for the e-mail, if the e-mail contains misleading information on the origin or routing of the e-mail, or if the subject line contains misleading information. Finally, the bill prohibits unsolicited commercial e-mail which contains sexually explicit material that other laws require be made available only to persons 18 years or older without the subject line beginning with the characters "ADV:ADLT".

The Department of Law does not anticipate a fiscal impact from passage of this legislation.
