Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

Under this bill, a person who obtains an injunction in the course of a bad-faith legal challenge to a state-permitted project would be civilly liable for damages caused by the injunction. The liability extends to any materially damaged party, rather than solely to parties to the proceeding in which the injunction was issued.

Passage of this legislation is not anticipated to have a fiscal impact on the Department of Law.
