ANALYSIS: (Attach a separate page if necessary)

This bill establishes a fish transporter permit system that authorizes a permittee to transport and sell commercially taken fish as the agent of the commercial fisherman who caught the fish. Permits would be issued by the Department of Fish and Game. Purchasing fish from a person who does not hold the permits specified in AS 16.05.680 or a fish transporter permit is an unlawful act. Under AS 16.05.723, unlawful acts can be misdemeanors.

Whether passage of this legislation will have a fiscal impact on the Criminal Division depends on the number of new prosecutions that result. Without additional experience, however, we have no way of estimating how many new cases there will be, and must state an indeterminate fiscal impact.
