Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

This bill eliminates the \$25 fee for the Chitina dip net fishing permit and requires state agencies to publicize and mark state land that provides access to the fishery. The \$25 fee has been appropriated to Fish & Game in past years to pay for sewage and trash disposal, and to pay for the public's right to use land owned by Ahtna and Chitina Native Corp. Elimination of the fee eliminates the source of funding for sewage and solid waste cleanup for the approximately 7,000 dipnetters and their families who use this area.

DNR is working with other agencies regarding the responsibility for the signage as required in the bill.
