Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

This legislation would have no significant fiscal impact on the Department of Revenue. The intent is to aid the state in the enforcement of the nationwide tobacco products Master Settlement Agreement, therefore preserving, to the fullest extent possible, the revenue stream from that agreement.

The legislation would aid the state in its enforcement efforts against non-participating tobacco manufacturers that may try to circumvent the terms of the agreement.
