Full-time						
Part-time						
Temporary						

ANALYSIS: (Attach a separate page if necessary)

Current law provides that a municipality may exclude, exempt or partially exempt residential property from taxation by ordinance ratified by the voters at an election. This legislation introduces a restriction on this optional exemption such that an exclusion or exemption authorized by this subsection may not be applied with respect to taxes levied in a service area to fund the special services. This change would have no fiscal impact on the department.
