**ANALYSIS:** (Attach a separate page if necessary)

This bill would re-establish an audit function in the Office of the Governor. Funding will be provided by reallocation of existing Office of the Governor funds in the Governor's FY 04 budget; no new money will be required.

The Governor's budget request for the Office of Management and Budget, and as approved by the House, totals \$1,899,500 from the general fund. Of that amount, \$1,767,500 is in personal service costs for 23 full time positions. To help restore the internal performance audit function, the following transfers were accomplished:

**ANALYSIS CONTINUATION**

Three positions were transferred from the Division of Governmental Coordination [DGC was reduced in size and transferred via Executive Order 106 to the Department of Natural Resources] to support the audit and performance evaluation function. Two were classified as Management Analysts and the third as an Internal Auditor.

Funding for the three positions transferred came from reallocations within the Division of Elections [\$196,800] and the Human Rights Commission [\$128,800].

The three "new" positions, plus two existing OMB Internal Audit positions would give the audit and performance evaluation function a staff of five full time positions. It is also envisioned that as circumstances may require, OMB Budget and Policy Analysts would assist in various audit and performance evaluations.
