**ANALYSIS:** (Attach a separate page if necessary)

The state's self insurance program for tort liability exposures will be favorably affected by this bill.

The limitation of civil actions arising out of certain claims & suits by members of the military services or regarding acts or omissions of the organized militia, or arising out of certain search & rescue, civil defense, homeland security, and fire management & fire fighting activities will reduce state liability exposure and thereby decrease future defense costs.

Projected costs for a low frequency yet potentially high severity risk is not possible, therefore the fiscal impact is indeterminate. In future years, Risk Management's liability premium assessments will reflect the reductions actually realized as our premium charges are developed from actual claims expense incurred.
