ANALYSIS: (Attach a separate page if necessary)

This bill will likely have a fiscal impact on the operations of the Agency, but it is impossible to determine with any accuracy what that impact will be. Doubling and quadrupling the fines for convictions for DUI, depending on the results of a blood or breath/alcohol test, will likely result in more cases handled by the Agency going to trial because of the exposure to increased penalties. Trials are more costly for the Agency than cases resolved short of trial. It is also very likely that the Agency will bear the additional collective cost of challenging this bill on constitutional grounds for violations of equal protection. Because of the inability to predict with any certainty the extent of the fiscal impact this bill will generate, an indeterminate fiscal note is submitted.
