Temporary						

ANALYSIS: (Attach a separate page if necessary)

This bill will likely have some fiscal impact on the operations of the Agency, but it is impossible to determine with any accuracy what that impact will be. Increasing the fines for convictions for DUI, depending on the results of a blood or breath/alcohol test, will likely result in more cases handled by the Agency going to trial because of the exposure to increased penalties, and increased litigation over the issue of the defendant's BAC level. Trials are more costly for the Agency than cases resolved short of trial. Because of the inability to predict with any certainty the extent of the fiscal impact this bill will generate, an indeterminate fiscal note is submitted.
