ANALYSIS: (Attach a separate page if necessary)

This bill amends AS 17.20.005 by adding a requirement that training, testing and certification be required for individuals who handle or prepare food, their supervisors, and their employers to ensure knowledge of food safety and sanitation. It also broadens the potential penalties and fines that may be imposed on anyone who violates one of the prohibited acts under the Food, Drug and Cosmetics Act but provides certain exceptions, under certain circumstances for disseminators of false advertising, and for donors of food to a food bank and to food banks themselves. The bill also gives concurrent jurisdiction to the Attorney General to act against violators of this revised statute.

Passage of this legislation will have a negligible fiscal impact on the Department of Law.
