ANALYSIS: (Attach a separate page if necessary)

The commission has averaged more than 70 final decisions on applications for limited entry permits each year since 1990 (more than 1,000 total). Seven appeals from these decisions are currently pending in court, representing about 10% of our average yearly final decisions on applications (the commission does additional kinds of cases including transfer cases).

HB 533 will almost certainly increase the number of CFEC court cases the state must defend, though the exact number (and thus, the exact fiscal impact to CFEC) cannot be known at this time. Any increase in the number of cases filed will require additional staff and commissioner time. If 10% of the 321 applicants currently on appeal before our hearing officers or commissioners were to file a case

ANALYSIS CONTINUATION

under HB 533 without having first exhausted the administrative appeal process available to them, 32 additional lawsuits would be generated. Because gathering and preparing records and assisting the Department of Law with court appeals of CFEC cases is enormously labor intensive and time consuming, if HB 533 results in 10% of the appeals pending before the commission being filed with the courts, the commission will need to add one paralegal position to assist with the additional workload.

The following personal services costs are calculated for a range 15 with salary, benefits and employer costs, including yearly merit increases (based on the current employer costs and XE salary schedule):
